

DR. LEPORA

Dr. Lepora is your Speaker for Transformational Change and High Performance Living! Dr. Lepora knows that all people are different and yet the same. She has traditionally shared her expertise with executives and leaders of top organizations, yet now shares it with the world. As a highly sought after public speaker, her focus has been on high performing life success using actionable and accountable steps.

Dr. Lepora has seen struggle and delight in her life. Through it all, she was able to learn the power that God has given her, that God has given us all. She will motivate you with compassion while challenging you to reach your desired best. She will urge you to have the right mindset, build a strategy and and action plan with her and to partner in action toward your life goals. Dr. Lepora serves on a global platform delivering speeches, developing workshops and programs that have transformed human lives across the spectrum. Dr. Lepora is the author of Journey to Authentic Joy. Her book consists of daily essays that are inspirational and touching, easy to digest, yet challenges you to grow and transform with grace.
